- **What is the purpose of the SAPGC?**

### **Education**

\* Present programs on a wide variety of garden-related topics by experts in those subjects. See examples listed above.

\* Inform the public about invasive species with emphasis on replacement.

### **Service Projects**

\*Plant and maintain gardens at the Library.

\*Award scholarships to U of M students studying horticulture.

\*Support projects with fundraisers: annual plant sale; biennial garden tour.

### **Social Events**

\*Annual potluck and Yankee Auction party in January.

\*Annual tour of selected nurseries and garden centers.

\*Biennial garden crawl of members' gardens, for members only.

\*Dinner for new members hosted by the Board of Directors.

- **What are the volunteer opportunities?**

Serve on committees; plant and weed public gardens; at regular meetings arrange furniture, greet guests, and provide refreshments; publicize the Club; help with the garden tour; contribute plants and work at the plant sale.
